

# Science Long Term Overview

EYFS	Cycle 1	Cycle 2	Cycle 3
	Plant life cycles (harvest) Forces Natural phenomena Changing seasons: autumn/weather and the senses	Natural materials Animal life cycles Animals and their habitats Changing seasons: winter/spring	Properties of materials Plant seeds Care for growing plants Changing seasons: summer/safety

KS1 (year 1/2)	Cycle 1		Cycle 2		Cycle 3	
Year A	Body parts and the 5 Senses	Seasonal changes	Everyday materials	Comparing animals	Uses of everyday materials	Revisit and Review
Year B	Plants	Habitats	Lifecycles and health	Microhabitats	Plant growth	Revisit and Review

# Science Long Term Overview

KS2 (year 3/4)	Cycle 1		Cycle 2		Cycle 3	
Year A	Light	Movement and nutrition	Rocks	Digestive system	Electricity	Revisit and Review
Year B	Forces and magnets	States of matter	Sound	Classification	Plants	Revisit and Review

KS2 (year 5/6)	Cycle 1		Cycle 2		Cycle 3	
Year A	Circulation and health	Earth and space	Properties and changes of materials	Properties and changes of materials	Light	Revisit and Review
Year B	Life cycles and reproduction	Forces	Classification	Electricity	Evolution and inheritance	Human timeline Revisit and Review
